Our standard is beech tops with silver legs and white top with white legs, If you would like to change the configuration please just let us know.

FIRA Membership

The Furniture Industry Research Association (FIRA) is an internationally recognised research body for furniture and seating in the UK. FIRA membership allows us to place our products through stringent product tests in order to ensure that they meet the appropriate quality standards. Our products have been tested to British, European and International standards and all tests and certificates are backed by accreditation from the UK Accreditation Service (UKAS).

5 Year Guarantee

The Start range has been designed to conform to all current standards making it suitable for all environments.

The new Start range has been created to offer a selection of key products required in any office and is designed with quality and simplicity at its core. Start offers a selection of workstation shapes and sizes and is complimented with your storage and meeting tables needs, all at competitive prices. Stocked in the current most popular colours of Beech and White we offer a choice of Silver or White legs all available through Premium, Next day or Third party delivery service. Whether it's a small or large office you can Start your planning with us.

Features

- 25mm MFC desk tops
- 2mm edge band
- Metal to metal fixings
- Chrome handles
- Lockable storage

Delivery Options

-  Delivery and Installation
-  Next Day Delivery
-  Third Party Delivery

Additional Services

Delivery and Installation

Our Delivery and Installation is a high quality service that takes the worry out of the most stressful and logistically difficult elements of installing office furniture.

The installation team will deliver, assemble and install in a customer's room of choice. They are also on hand to explain how features work and conduct relevant product training. Upon completion, our team will take away any unwanted packaging, leaving your customer with nothing to do but enjoy their new purchase.

Key Services

Our Delivery and Install Service includes:

- Pre delivery call to book a delivery time slot
- 1 hour pre-delivery contact by the team en route to delivery/collection
- Standard deliveries between 9am and 5pm, Monday - Friday
- Installation of goods in customers' room of choice
- Unpacking and inspection of delivery to ensure no damages
- Product training if required
- Removal of any packaging
- Full clean down on installation
- All delivery & installation staff are fully trained, fully insured, and Health and Safety certified

Alternative Delivery Options

Premium Delivery

A delivery service carried out by trained, uniformed drivers with a lead time of up to 7 working days and the added benefits of discounted prices and free of charge carriage for delivery to dealer warehouse.

Next Day Delivery

We carry good stock levels of all standard products allowing us to offer a Next Day Delivery Service as standard. *Standard carriage charges apply.

Third Party Delivery

For dealers with limited storage space or limited time, TC can deliver direct to your customers. *Standard carriage charges apply.
