OUR PHILOSOPHY

Our philosophy is simple – people are important. Whether it's the people using our products, the people selling them or the dedicated team working behind the scenes – people are at the heart of our company.

We're not your average business and this is something that will never change; our customers and our team will forever remain the most important part of our business.

We care about you and your needs, which is why we work hard to source quality products for our customers across the UK and Europe. We also take a great deal of pride in our team, who help us make it happen.

With a firm focus on service and support, we provide a variety of office seating, desking, storage, conference and training furniture. We also offer a selection of delivery services to match our customers needs.

Our people are at the heart of our business.

Personal performance drives business success. Our people maximise their performance through ongoing training in clear and positive thinking, allowing them to achieve their goals - and quickly.

The outcome? A successful business that is driven by high-achieving individuals who are positive, motivated and happy.

BCFA MEMBER

We belong to the BCFA (British Contract Furnishing & Design Association), the trade association for the British Contract Furnishing Industry. As members of the BCFA, we remain committed to achieving higher standards in both the design of our products and the services we offer.

ENVIRONMENTAL POLICY – BS-EN ISO14001:2015 CERTIFIED

We care about the environment, and to show this we regularly evaluate our procedures and implement new strategies to reduce our environmental footprint. We measure, manage and control our environmental impact in accordance with being certified to ISO 14001:2015.

QUALITY MANAGEMENT – BS EN ISO 9001:2008 CERTIFIED

Our Quality Management system is compliant to BS EN ISO9001:2008. This ensures that all of our products, processes and systems are monitored and measured. They regularly go through management review ensuring compliance with the regulatory requirements of this International Quality Standard.

- 276 Fabrics
- 283 Terms & Conditions

DELIVERY AND INSTALLATION

We are committed to giving our customers exceptional service. Our D&I service allows us to deliver your furniture in perfect condition and for it to be installed efficiently. We deliver on time, every time.

Once you have placed your order, our experienced D&I team will deliver and install within 10-15 working days. We guarantee your install will be stress-free, and to achieve this, we ensure:

- 1. Good housekeeping and safety policies are always observed
- 2. Once you are happy, all packaging is disposed of correctly and recycled where possible
- 3. A complimentary product demonstration is offered at the end of the installation, to ensure you are confident and happy with your new products

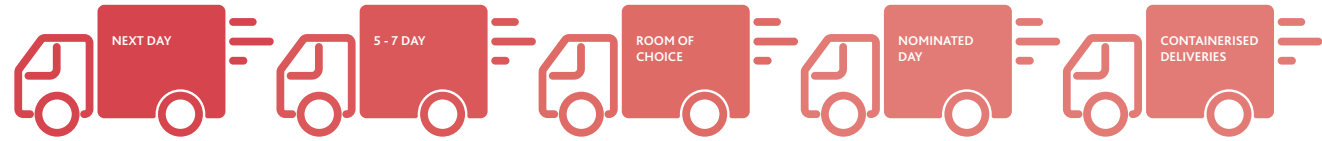

To achieve the best results for you, please ensure that:

- The **3 P's** are established before installation. A member of the sales team will require the following information: The **postcode** of the delivery and install location, what **products** it is you require and any **problems** we may run into with the install, for example, no lift or restricted access
- Any special security requirements are addressed
- You provide on-site contact details, as you will receive a delivery date and time slot via text or email. The driver will also call on the day

DELIVERY SERVICES

We have a number of delivery services available, all tailored to you and your requirements. If you need any more information about any of the services outlined below, please contact our Sales Team and we will be delighted to assist you.

NEXT DAY DELIVERY

Need something tomorrow? Place your order with us and we will ensure it reaches you by the next working day*. No matter the order size, we can get you what you need, when you need it. It's that simple.

5 - 7 DAY DELIVERY

Not in a rush? Once we receive your order, all stocked products can be delivered to the UK mainland, on our 5-7 Day service.

ROOM OF CHOICE

If you need some additional assistance, but not full delivery and installation, our Room of Choice option is the service for you. We offer a two man delivery, to the room the products are being used. We take out all the heavy lifting and transporting of goods, leaving everything exactly how you want it.

NOMINATED DAY

We are dedicated to making life that little bit easier for all our customers. Our Nominated Day delivery service is tailored to fit around you. You choose the day and time slot, we'll do the rest.

CONTAINERISED DELIVERIES

Your high volume products never need go out of stock again with our containerised delivery option. Order a full container of products and enjoy a significant cost saving. We receive and monitor your order, and keep you fully informed until it reaches your door. It's that easy.

* For stock products only

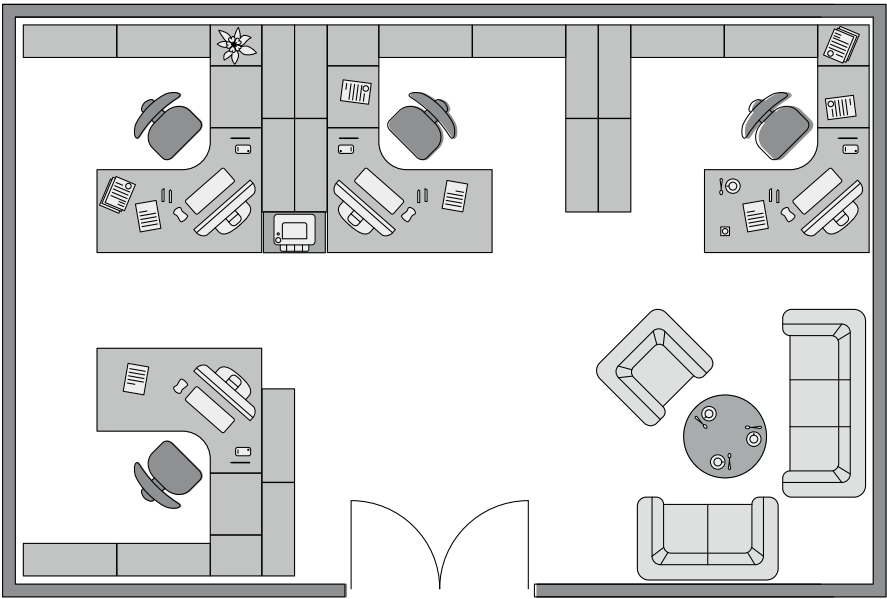

SPACE PLANNING

Correct planning ensures you are getting the most out of your space. We offer a space planning service which utilises the maximum capacity of your workspace in a safe and efficient way.

Our experienced team use the latest software to ensure a full planning service, from site surveys and 2D plans, to walk-through 3D visualisations. Just give us your measurements and we will create and suggest possible layouts to enhance your existing office space.

2D PLANS

Our 2D plans turn your measurements into a well thought out working area to suit your particular requirements. Once your furniture plan is complete, we can be as detailed as you need and display network points, lighting, heating, power, and anything else you may require. Want to hang on to a few things? Our 2D plans can show a mix of old and new furniture, designed by our experienced team.

3D PLANS

We can take the 2D plan drawings a stage further by adding carpet and wall finishes, together with colour ideas to suit your corporate identity - or build on your own ideas. Once created, we can produce a 3D walk-through visualisation, which enables you to see the end result in a clear, concise way.

MATERIAL FINISHES

We are proud to work with a dedicated selection of the UK and Europe's longest established and best recognised upholstery fabric, PU, vinyl and leather manufacturers.

The fabrics we offer are a selection of the most popular within the market, and are suitable for applications ranging from operator/task seating, soft seating and for the upholstery of vertical surfaces, such as desk mounted and floor standing screens.

The range of manufacturers, finishes and price bands offers a

solution for all specifications and budgets - please contact us for further details or assistance.

Where environmental credentials are a major consideration we are also able to source and recommend from a wide choice of environmental fabrics, made from recycled raw materials, or materials composed of rapidly renewable sources such as wool or innovative bast fibres from nettles, hemp or even recycled coffee sacks.

UNLIMITED FABRICS

Where you see the above icon the product is available upholstered to your exact specification. Choose from multiple on-trend finishes to match your market place or corporate colour scheme, or simply something different to brighten up your business environment.

FIRE RETARDENCY

The fire retardency or CRIB rating of a particular fabric measures its ability to resist ignition from an exposed flame. There are a variety of tests for the flammability of upholstery fabrics within the UK - we have listed a brief description of those applicable to our market below (please note this is not exhaustive; if further information is required please contact us).

Low Hazard - tested to BS7176:2007 Low Hazard fabric ratings are suitable for use within the general office environment

CRIB 5 - Where a fabric has been treated and tested to standard it is suitable for most uses, particularly contract environments like hotels, where the impact of a fire can be serious.

CRIB 7 - This is a more stringent test version of CRIB 5. Fabric that passes this test is suitable for more hazardous environments like prisons or offshore installations.

PLEASE NOTE:

Fabric Bandings - Should your fabric of choice not be listed please contact our Sales Team who will be happy to assist. Please ensure you check the suitability of your selected fabric for its application prior to ordering.

Leather - All leather fabrics are priced on application.

Fabric Swatches - We recommend that your final fabric selection is made based on a physical swatch only. Please note colour accuracy of printed fabric swatches is not guaranteed and is intended as a guide only.

All of the materials used within our furniture, seating and storage ranges are carefully selected and specified in accordance with our ISO 9001 certification. We work with globally renowned manufacturers to ensure we are able to bring to market quality products that stand the test of time and offer an exceptional value proposition.

Our desk tops and wood storage is manufactured from FSC certified MFC - Melamine Faced Chipboard.

We have a standard colour palette of six MFC wood finishes spanning our core range of desking and storage, comprising panel end, cantilever and bench solutions specified at 25mm for all desk tops. In addition, our Regent Executive range offers two dedicated MFC wood finishes at 36mm to give that extra special executive environment.

Our MFC supply chain is fully FSC (Forest Stewardship Council) certified and is accredited to ISO 14001 and ISO 9001.

bench

BENCH EXPLANATION

Bench is an extremely fast and simple system to assemble, using a minimum number of tools. Bench uses laser cut rails and end legs to allow interference fit 'splicing' of the two parts together, offering unrivaled strength and lateral stability. Fitting of the tops is the final part of this connection, effectively laminating the entire structure together. Clever 'hinge down' cable trays can be added by simply bolting the cable tray brackets to the tops. Mass cable risers are available to add to the intermediate legs to enable running cables up from the floor by simply bolting in the hook and clipping in place. Lastly, screens are fitted using 'metal-to-metal'

connection by bolting the screen brackets to the legs and then sliding the screens onto the bracket. This connection then offers rigid screen fixing for the ability to mount monitor arms or other accessories as required. For more detail, please see the three simple steps below:

STEP 1

Slot cross rails into the end legs; noting orientation and ensuring full engagement. Secure crossrails to end legs using the M6 x 15mm connector bolts on the underside.

Slot cross rails into the intermediate leg or end leg (depending upon starter or extension); ensure full engagement prior to next step.

Secure crossrails to the intermediate leg using M6 x 15mm connector bolts on underside. Insert end caps into open ends of cross rails. Insert desktop spacers into holes provided on legs.

Locate desktops and secure in place using the M6 x 50mm connector bolts making sure they pass through the desktop spacers therefore completing the frame.

STEP 2

Cable trays first need hanging brackets breaking off each end of the tray. These brackets can then be screwed directly to the pre-inserted positions on the underside of the desktops. The tray then simply hooks in place.

To fit the cable riser, bolt the hook to the underside of the intermediate leg and then hook the side panel in place. Once cables are fed into position, hook in the opposing panel to enclose the leg.

STEP 3

Fix the end leg brackets with M8 bolts provided, to the end legs. Fix the intermediate brackets with the M8 bolts provided to the intermediate leg, then simply slot the screens in place.

The screens can then be linked in-line with the integrated link strips supplied within each screen. Simply remove the upper or lower caps, discard one of the strips and use the remaining link strip by fitting on the centre line of the two screens, thus creating the link. To finish, re-fit the caps in place.

RECEPTION MIX & MATCH

The reception desk has the option to separately pick the finish of the tops and sides, enabling you to mix finishes and create a reception unit that fits in with the office decor.

When ordering, select the finish for **Box A** to choose the desk and reception tops and select the finish for **Box B** to choose the front and side panel finish.

THINGS TO CONSIDER

The correct office chair is a very important decision to make. The right chair promotes good posture and comfort, which enhances productivity and ensures a happy, competent workforce. The average office chair can be in use for 1900 hours over the course of a year. Our selection of office seating ranges from operator, through to executive and posture seating.

IMPORTANT THINGS TO CONSIDER:

MECHANISM USER GUIDE

FIXED BACK

- Seat moves up and down
- Back can be raised or lowered
- The backrest angle is fixed

PERMANENT CONTACT (PCB)

- Seat moves up and down
- Back can be raised or lowered
- Backrest angle can be fixed or set to free float - i.e. in 'permanent contact' with your back is fixed

ASYNCHRO / ASYNCHRO TORSION

- Seat moves up and down
- Back can be raised or lowered
- Backrest angle can be fixed or set to free float
- Seat angle can be fixed to desired angle
- Torsion control knob can be adjusted to match body weight

LOCK TILT

- Seat moves up and down
- Tilt of chair can be locked or set to free float
- Torsion control knob can be adjusted to match body weight

SYNCHRO

- Seat moves up and down
- Backrest and seat angle can be fixed or set to free float (2:1 ratio)
- Synchro chairs can be fixed in either 3, 4 or 5 positions
- Torsion control knob can be adjusted to match body weight

KNEE - TILT

- Seat moves up and down
- Backrest and seat angle can be fixed or set to free float (2:1 ratio)
- Knee tilt chairs can be fixed in either 3, 4 or 5 positions
- Torsion control knob can be adjusted to match body weight

RATCHET BACK

- Back can be raised or lowered independently of chair functions

LUMBAR SUPPORT

- Backrest provides support for the natural 'S' shape of the spine
- Prevents slumping and reduces stress on the spine and pelvis

SEAT SLIDE

- Seat depth can be increased or decreased independently of chair functions

STACKING CHAIR

- Designed to be safely stacked
- Recommended number of chairs per stack is stated in product details if relevant

Want to match your own décor? We offer an exciting unlimited fabrics service which allows you to choose your own fabric, and we'll do the rest. Look out for our unlimited fabrics icon on all products included in this service. Please see pages 274 - 281 for fabric options on seating.

ABOUT NURTURE

Nurture is a wooden range of contemporary classroom, stacking, canteen and conference chairs that aim to improve educational and public spaces through a connection with nature. This connection is proven to increase rates of learning, concentration and attendance by 25%. The range is crafted in the UK from layers of premium hardwood veneer, faced with hard wearing laminate and finished with Danish oil. It is also FSC tree tick approved which ensures the process of making this chair is environmentally appropriate.

ABOUT STUDY

Study is a practical heavy-duty chair that is perfect for halls, canteens, meeting rooms and cafeterias. It has a breathable back, a tensile steel frame and a curved polypropylene shell. This chair is ideal when space is a priority as it stacks 5 high. Available in a variety of colours this is a stylish take on a regular multipurpose chair.

Chieftain Fabrics are experts in vinyl upholstery. It is their only focus and they believe that for this reason, they are the best at what they do. Chieftain specialise in the design and production of high quality performance fabric and contract upholstery, and have done for over 60 years. With their unique mix of specialist expertise, innovative R&D and advanced materials, they produce an inherently better fabric. Chieftain are constantly striving to keep up with ever changing technologies and have the only fabric that has passed both the Tropical test and Crib 7.

FABRIC BAND 3

Application
High traffic areas, stadia seating, restaurant, hotel, healthcare, prisons, high security environments etc.

Characteristics
Surface : Phthalate free PVC
Backing : Cotton/PES
Weight : 705 g/m2
Thickness : 1.10mm
Bursting Strength : 1,200+kPa
Abrasion : 500,000+ Martindale Rubs

Flame Retardancy
BS5852 Ignition Source 7 - Crib 7 as standard
BS7176 Medium Hazard
S.I. 1988 No.1324 Schedule 4 and 5
BS EN1021-1 and 2
CS-25

B2

Jungle / Tropical Test
ISO 1419 : 1995 Accelerated Aging Test

Antimicrobial
ISO 22196
G21
Independent testing has verified that Just Colour is effective at reducing the spread of MRSA, E.Coli, and other similar bacteria.

See Chieftainfabrics.com for further details and cleaning instructions.

FABRIC BAND 4

Application
High traffic areas, stadia seating, restaurant, hotel, healthcare etc.

Characteristics
Surface : Phthalate free PVC 85% : 15% PU
Backing : 100% Organic Cotton
Weight : 800g/m2
Thickness : 1.25mm
Bursting Strength : 1,000+kPa
Abrasion : 500,000+ Martindale Rubs

Flame Retardancy
BS5852 Ignition Source 5 - Crib 5 as standard
BS7176 Medium Hazard
S.I. 1988 No.1324 Schedule 4 and 5
BS EN1021-1 and 2
CS-25
FMVSS 302
IMO A 652 (16)

Antimicrobial
ISO 22196
Independent testing has verified that Lionella is effective at reducing the spread of MRSA, E.Coli, and other similar bacteria.

See Chieftainfabrics.com for further details and cleaning instructions.

FABRIC BAND 3

Application
Domestic application only - not suitable for contract use.

Characteristics
Surface : PVC
Backing : PES or Cotton PES
Weight : 608g/m2
Thickness : 1.00mm
Bursting Strength : 1,000+kPa
Abrasion : 40,000+ Martindale Rubs

Flame Retardancy
BS7176 Low Hazard
S.I. 1988 No.1324 Schedule 4 and 5
BS EN1021-1 and 2
CS-25
FMVSS 302
IMO A 652 (16)

See Chieftainfabrics.com for further details and cleaning instructions.

camira

Camira have been weaving the fabric of the world for decades. They produce fabrics for spaces and places, from offices to schools, trains to buses, and shops to hospitals. Camira manufacture over 8 million metres of fabric a year so you’re sure to have touched upon their fabrics either at work, at play or on the move. From their manufacturing plant, registered to ISO 9001 and 14001 standards, they make 8 million metres of fabric a year meeting international flammability regulations, celebrating colour, design, technical and environmental innovation.

CAMIRA MAIN LINE FLAX - FABRIC BAND 4

Composition
70% Virgin Wool, 30% Flax

Enviromental
Rapidly renewable and compostable.

Abrasion Resistance
Heavy duty / 10 year guarantee
Independently certified to ≥50,000 Martindale cycles

Flammability
EN 1021 - 1 (cigarette)

TERMS AND CONDITIONS

1.

Construction of Contract

1.1

In these Conditions the following expressions shall have the following meanings:
"The Seller" shall mean WW(UK) Ltd (a company registered in England and Wales under number 2861426). "The Buyer" shall mean the person, firm or company whose order for the Goods is accepted by the Seller. "The Goods" shall mean the Goods which the Seller has or is to supply in accordance with these conditions and shall include where appropriate any installation of the Goods and other work carried out by the Seller in connection with the Goods.

1.2

"The Contract" shall mean the contract for the sale of the Goods by the Seller to the Buyer.

1.3

The terms of the Contract shall consist of these Conditions of Sale.
No other terms (whether contained in any document issued by the Buyer or in any written or oral communication between the parties) shall apply to the Contract nor shall these Conditions be modified without the Seller's written agreement. The Seller shall be entitled to amend technical specifications of the Goods without notice.

2.

Formation of Contract

2.1

Unless accepted before lapse or withdrawal, quotations may be withdrawn at any time and shall lapse automatically after the date specified in the quotation.

2.2

The Contract shall be formed by the express or implied acceptance by the Buyer of the terms and conditions herein set out. Acceptance shall be implied by acceptance by the Buyer of the Goods. Telephone orders by the Buyer, which are accepted by the Seller, shall be subject to these conditions.

2.3

Any such acceptance shall be subject to the Buyer's credit being to the satisfaction of the Seller and the Seller shall be entitled to cancel the Contract without liability should the Buyer's credit subsequently become inadequate for whatever reason.

3.

Delivery

3.1

Although the Seller will endeavour to deliver and if so agreed install the Goods within any delivery or installation time specified (if any) in any quotation (in writing or otherwise) that time is an estimate and not a term of the Contract. In no event whatsoever will the Seller be liable for damages of any kind including special indirect or consequent damages caused by any delay in delivery or installation.

3.2

Any time specified shall be extended by any period or periods during which the delivery of the Goods or the work by the Seller in connection with the Contract is delayed due to a circumstance mentioned in clause 8.8.

3.3

If any such delivery or installation time is extended by more than 6 weeks then the Buyer shall be entitled to give written notice to the Seller requiring the Goods to be delivered within 28 days of the date of such notice failing which the Buyer will have the right to give further written notice terminating the Contract forthwith.

3.4

The Seller shall be entitled to deliver the Goods by instalments.

3.5

The delivery by the Seller of a greater or lesser quantity of the Goods than the quantity provided for in the Contract, or the delivery of goods only some of which are defective, shall not entitle the Buyer to reject all of the Goods delivered.

3.6

Delivery will take place at the Seller's premises or at such other delivery address as specified in the Contract provided always that there shall only be one delivery address in relation to each Contract and that address must be located on the UK mainland. Where the delivery address is the Seller's premises, collection of the Goods shall be made by the Buyer or his agent collecting the Goods at the Seller's premises at any time after the Seller has notified the Buyer that the Goods are ready for collection. Where the delivery address is not the Seller's premises, delivery of the Goods shall be made by the Seller or its agent delivering the Goods to that place.

3.7

If the Buyer refuses or fails to take delivery of the Goods or fails to provide adequate labour and facilities for the safe unloading of the Goods or to give the Seller adequate delivery instructions at the time stated for delivery (otherwise than by reason of the Seller's fault) then, without prejudice to any other rights or remedies available to the Seller, the Seller may:

3.7.1

store the Goods until actual delivery and charge the Buyer for the reasonable costs (including insurance) of storage;

3.7.2

or sell the Goods at the best price readily obtainable and (after deducting all reasonable storage and selling expenses) account to the Buyer for the excess over the price under the Contract or charge the Buyer for any shortfall below the price under Contract.

3.8

Where the Goods are to be delivered by instalments, each delivery shall constitute a separate contract and failure by the Seller to deliver any one or more of the instalments in accordance with these Conditions or any claim by the Buyer in respect of any one or more instalments shall not entitle the Buyer to treat the Contract as a whole as repudiated.

3.9

Where the delivery address is not at the Seller's premises, in order that the Seller can comply with its carrier's conditions, any claim in respect of error in the quantity of packages of Goods delivered or in respect of damage to the Goods in transit must be endorsed by the Buyer on the carrier's delivery documentation immediately upon receipt of the Goods. Furthermore a claim shall be made in writing by the Buyer to the Seller within 7 days of the date of delivery of the Goods.

3.10

Any claim in respect of an error in the type of Goods, or quantity and/or condition of Goods within packages delivered must be made in writing by the Buyer to the Seller within 7 days of the date of the Goods.

3.11

Failure to make such a claim in accordance with Clauses 3.9 and 3.10 shall constitute unqualified acceptance of the Goods and waiver by the Buyer of all claims relating to error in quantity or type of Goods delivered or relating to the condition of Goods delivered. Similarly, if in such circumstances any Goods invoiced by the Seller are not delivered, in order that the Seller can claim against its carriers where appropriate, the Buyer must notify the Seller within 5 days of the date of invoice, failing which the Buyer will be liable to pay for the Goods in full.

4.

Property and Risk

4.1

The Goods are at the risk of the Buyer from the time of delivery in accordance with clause 3.

4.2

Ownership of the Goods shall not pass to the Buyer until the Seller has received payment in full (in cash or cleared funds) all sums due to it in respect of:

4.2.1

the Goods; and

4.2.2

all other sums which are or which become due to the Seller from the Buyer on any account.

4.3

Until ownership of the Goods has passed to the Buyer, the Buyer shall:

4.3.1

hold the Goods on a fiduciary basis as the Seller's bailee;

4.3.2

store the Goods (at no cost to the Seller) separately from all other goods of the Buyer or any third party in such a way that they remain readily identifiable as the Seller's property;

4.3.3

not destroy, deface or obscure any identifying mark or packaging on or relating to the Goods;

4.3.4

and maintain the Goods in satisfactory condition and keep them insured on the Seller's behalf for their full price against all risks to the reasonable satisfaction of the Seller. On request the Buyer shall produce the policy of insurance to the Seller

4.4

The Buyer may resell the Goods before ownership has passed to it but only on the following conditions:

4.4.1

any sale shall be effected in the ordinary course of the Buyer's business at full market value;

4.4.2

and any such sale shall be a sale of the Seller's property on the Buyer's own behalf and the Buyer shall deal as principal when making such a sale.

4.5

The Buyer's rights to possession of the Goods shall terminate immediately if the Buyer:

4.5.1

becomes bankrupt or makes an arrangement or composition with his creditors or (being a body corporate) enters into liquidation or has a receiver and/or manager, administrator or administrative receiver appointed over its undertaking or any part thereof;

4.5.2

or suffers or allows any execution, whether legal or equitable, to be levied on his/its property or obtained against him/it, or fails to observe or perform any of his/its obligations under the Contract or any other contract between the Seller and the Buyer, or is insolvent or ceases to trade;

4.5.3

or encumbers or in any way charges any of the Goods or proposes to do so.

4.6

The Seller shall be entitled to recover payment for the Goods notwithstanding that ownership of any of the Goods has not passed from the Seller.

4.7

Where the Seller is unable to determine whether any Goods are the goods in respect of which the Buyer's right to possession has terminated, the Buyer shall be deemed to have sold all goods of the kind sold by the Seller to the Buyer in the order in which they were invoiced to the Buyer.

4.8

On termination of the Contract, howsoever caused, the Seller's rights in Clause 4 (but not those of the Buyer) shall remain in effect.

5.

Price

5.1

The price of the Goods shall be based upon the prices listed in the Seller's published price list current

6.

Payment Terms

6.1

If the Seller has granted the Buyer credit facilities, then except as provided in Clause 4, payment of the price must be made within 30 days following the end of the month of the date of invoice. Otherwise payment must be in cash prior to delivery. Payment shall be made direct to the Seller in the currency invoice to the address shown for payment.

6.2

The Buyer shall not be entitled to exercise any right of set-off against payment due to the Seller.

6.3

The Seller shall be entitled to withdraw the Buyers credit facility (if any) at any time at its sole discretion. Any outstanding payments shall become immediately due. The Seller shall be entitled to charge interest on any overdue sum at the rate of 3% per month from the due date until the date of actual payment as well after and before any judgement.

7.

Additional Delivery Charges

7.1

The Seller may at its discretion charge such additional sum for delivery and insurance as is reasonable to cover:

7.1.1

unusual or special arrangements,

7.1.2

delivery outside of the hours of 0800-1700 Monday to Friday or during statutory or public holidays,

7.1.3

delivery during a day designated by the company from time to time as a day of closure. Such dates if any shall be advised to the Buyer by the Seller's sales office upon the placing of an order,

7.1.4

orders of a quantity lower than the minimum order quantity as may from time to time be notified by the Seller's sales office. The minimum order quantity may be amended without prior notice.

7.1.5

delivery to addresses outside the UK Mainland,

7.1.6

delays caused by instructions from the Buyer or by the failure of the Buyer to give adequate delivery instructions or information,

7.1.7

delays and additional work encountered on installation or other work connected with the Goods the Seller caused by inadequate instructions from the Buyer or by circumstances, which are not apparent at the time, any quotation (written or otherwise) was given by the Seller.

8.

Warrant and Exemptions

8.1

The Seller undertakes that if it is given notice that any of the Goods were defective on delivery and if the defect arises from faulty materials or workmanship in manufacture or installation the Seller will repair or replace the defective item free of charge other than delivery charges.

8.2

Notice must be given promptly on discovery of the defect and in any event not later than 7 days after delivery.

8.3

There shall be excluded from the Contract all other conditions, warranties, statements, and representations whether express or implied, statutory or otherwise, as to quality, fitness for any particular purpose or as to correspondence with any sample.

8.4

The warranty contained in Clause 8.1 does not apply to the extent that the defect is caused or contributed to by abuse, improper installation or application of the Goods, or where the Goods have been damaged by accident or negligence in use, storage or transportation.

8.5

The Seller's liability under this warranty shall be limited to repair or replacement as provided above. In no event whatsoever will the Seller be liable for special, indirect or consequential damages.

8.6

The Buyer shall give the Seller immediate notice of any alleged defect as soon as it becomes apparent, and shall retain the Goods at its premises until advised by the Seller to return them. Goods alleged to be defective shall be subject to inspection and testing by the Seller at its own or (if the Seller so chooses) at the Buyers premises and the Buyer shall allow the Seller adequate facilities at the Buyer's premises to investigate the complaint.

8.7

The Buyer shall indemnify the Seller against any claims and any cost and expenses (including legal costs) relating thereto, in respect of any loss or damage, howsoever arising and of whatever nature, suffered by any third party in relation to or in any way connected with the Goods supplied to the Buyer by the Seller.

8.8

Neither Party shall be liable for any failure to perform any of its obligations under or in connection with the Contract if such delays are due to fire, explosion, flood, storm, tempest, sabotage, strikes (official and unofficial), riot, invasion, acts of war, shortage of labour, power of materials, civil commotion, accidents, plant breakdown, failure of supply of the Goods by the Seller's supplier, compliance with an order of an apparently competent authority, or any other event beyond the Party's reasonable control

9.

Insolvency

9.1

In the event of the buyer suffering (or appearing to the seller to be about to suffer) the onset of insolvency or being in breach of any term of the contract the seller shall be entitled, without prejudice to its other rights, to postpone delivery both in respect of the Contract in question and any other contracts with the Buyer until the breach has been rectified and/or (at its option) to determine the contract (and/or any such other contracts) and to recover payment for all deliveries already made and for any costs already expended for the purpose of future deliveries (less any allowance of the value thereof as utilised by the seller for other purpose) and also to recover from the Buyer a sum equivalent to the Seller's loss of profit arising out of such determination. The exercise of the Seller's option to postpone delivery shall not prevent the subsequent exercise of the Seller's option to determine the Contract and/or any other such contracts.

10.

Cancellation

10.

The Contract may be cancelled by the Buyer only with the Seller's written consent. In event of such cancellation the Seller shall be entitled to charge the Buyer cancellation charge, commensurate with the Seller's cost incurred up to the date of the cancellation plus the Seller's loss of profit.

11.

Law and Jurisdiction

11.

The proper law of the contract shall be English law and any difference or dispute hereunder shall except where otherwise herein provided be dealt with by the Courts of England, save that the Seller shall be entitled to bring proceedings against the Buyer who hereby submits to the jurisdiction of the English Courts accordingly.

12.

Notices

12.1

Notice served by facsimile to the appropriate terminal of the party to be served shall be deemed properly served if followed by a first class letter properly addressed signed by or on behalf of the party serving the notice.

12.2

Any notice to the Seller shall be delivered to the Seller at its current postal address as specified on the company letterhead and invoice, or such other address as the seller may from time to time have notified for the purpose of this Clause 12.

13.

Guarantees

13.

For seating operated on a normal 8-hour day basis, components are guaranteed for 5 years and upholstery material for 2 years. For use in excess of 8 hours per day, these guarantee periods are reduced to 2 years and 1 year respectively.
